Dear Friends,

The Philippine Nurses Association of Nevada [PNANV] is a 501c3 non-profit organization established in 1992 by a group of visionary nurses. Its mission is to foster excellence in areas of nursing practice, leadership and research through education of its constituents, to promote professional growth and to help address the healthcare needs of the community. PNANV has been engaged in various community networking and outreach programs throughout the years.

In the past 20 years, it has been the PNANV tradition to hold an Annual Fundraising Event to support the numerous projects of the organization. This year, the organization continues in its tradition. Our Event will be held on **February 23, 2019 at the Orleans Hotel and Casino**. The newly elected Board of Directors for 2019-2021 will be inducted into office. The theme this year is **"Let's Dance to the Rhythm"**.

Healthcare and Nursing are ever-changing arenas. Regulations, policies, leaders, contributors, care coverages and even jobs keep evolving. We all have to keep "in step" of what is going on, follow the lead of who is in charge and Dance to the Music. It is a synchronized effort of partners. The outcome would be completing the Dance, which in our line work is **the positive outcome for our patients and those we serve**.

We are very excited to plan this event and hope that you will consider supporting our cause by attending the gala or through sponsorship and donations. The success of this event greatly depends on your generosity. Please see the attached information and feel free to contact Rey Espina, PNANV Treasurer at 702 595 5988 should you have any questions.

Thank you so much for your support.

Sincerely yours,

Doris Bauer

PNANV President 2017 - 2019
